# Your Study Abroad program

In association with Macquarie University, ICMS offers a Study Abroad program with full academic transfer to your home institution.

This program offers specialisation in:

- Sport Management
- Hospitality Management
- Event Management
- International Tourism
- Retail Services Management
- Property Services Management
- International Business
- Marketing

- Intakes in Summer, Autumn and Spring;
- Residential facilities;
- Orientation Week activities designed to introduce you to your Study Abroad program and life in Sydney.

## Macquarie University Credits

Study Abroad students receive credits towards their home degree from Macquarie University.

The International College of Management, Sydney [ICMS] is a multi-award winning provider of education in Australia and is also affiliated with the famous 'César Ritz' Colleges in Switzerland.

## Study load

At ICMS you can undertake 3 or 4 subjects during your semester abroad. That's roughly 12 - 16 hours of class time per week.

## Academic support

To help you settle in and support you throughout your time at ICMS, experienced academic staff and counsellors are available should you need them.

## Semester dates for 2009/2010

# See the world without extending the length of your study

They say that travel broadens the mind. If you study while you travel, that's certainly the case. The International College of Management, Sydney [ICMS] provides the complete experience.

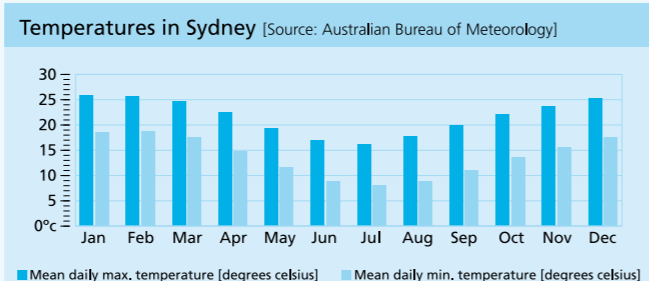

## Living in Sydney

Sydney is the state capital of New South Wales. This spectacular city of over 4 million people is widely regarded as one of the world's most liveable cities. An extremely pleasant climate helps; even in mid-winter, temperatures rarely fall below 50°F [10°C], and while mid summer temperatures can occasionally top 97°F [36°C], the average is around 82°F [28°C]. Remember though, that southern hemisphere seasons are opposite to the northern hemisphere. In Australia, the seasons are as follows:

<b>Summer</b>	December – February
<b>Autumn</b>	March – May
<b>Winter</b>	June – August
<b>Spring</b>	September – November

## What a location!

The ICMS campus will take your breath away. Housed in a magnificent heritage listed building with over 100 years of educational history behind it, ICMS overlooks Sydney's famous Manly Beach and boasts 20 hectares of parkland. This safe and peaceful environment for study is just a few minutes walk from Sydney's magnificent harbour, and the city itself can be reached in 30 minutes aboard a ferry.

## Truly international

ICMS has over 1000 students from over 40 countries around the world, offering not just a study experience, but a cultural experience too. Study Abroad students come from as far and wide as the USA, Mexico, Germany, Brazil, Switzerland, Sweden and Norway.

## A life experience, too

Naturally, you will want to do and see as much as you can while you're here. Here are a few of the activities you might like to consider:

- Walks to nearby Manly and Shelley Beach
- Surfing
- Beach volleyball
- Scuba diving
- Horse riding
- Day trips to the Blue Mountains and Hunter Valley
- Sailing on Sydney Harbour
- Sports afternoons on campus
- Sydney city sights tours such as the Opera House
- Harbour Bridge climb
- See Australian animals at Taronga Zoo

Manly is just 30 minutes from Sydney City by ferry

## Other things you need to know

### Visa requirements

All international students need an Australian Student Visa on enrolment. For more information about visa requirements and processing, go to [www.studyinaustralia.gov.au](http://www.studyinaustralia.gov.au). Please note that visa processing time can vary.

### Health insurance

International students are required to have health insurance during their stay in Australia. The college will arrange your Overseas Student Health Cover (OSHC) through Medibank Private. OSHC contributes to the costs of doctors' fees, specialists, ambulance, prescription medicines and emergency treatment. Norwegian and Swedish students do not need OSHC as cover is provided by their national health schemes.

### Working while you're in Australia

International students may work in Australia while they are studying here. Work permits allow students to work for up to 20 hours a week during the academic term and full-time during term breaks. Full details are available during Orientation Week.

### Where you can live while enjoying your studies at ICMS

As a Study Abroad student, you can take your choice of on-campus or off-campus accommodation. On-campus accommodation includes all meals. For more details, go to [www.icms.edu.au](http://www.icms.edu.au) and look under College Life. There is also off-campus accommodation in Manly. This can include shared houses or apartments, or private board (which usually means having your own bedroom in a family home, with meals included).

### Orientation Week

The College provides an intensive orientation program the week preceding term commencement for Study Abroad students. "O Week" begins with a formal welcome to the college and introduces you to life in Sydney and at ICMS.

You'll also be provided with timetable information, textbooks and course materials, and be fitted with your business suit. You'll be required to wear smart casual clothes during O Week, and business attire during Week 1. You'll then be supplied with your college business suit which is included in your Study Abroad package.
