I understand that the process for claiming a refund will be available on request. Under the University's Refund Policy, the La Trobe University International College may refund tuition fees (in whole or in part) where:

- The Australian Government refuses to grant a student an initial student visa before the commencement of his or her course;

If a student gives **less than twenty working days** written notice prior to the commencement date of the course, **no fees** will be refunded. If a student gives a **minimum of twenty working days** written notice prior to the commencement date of the course, **90%** of tuition fees will be refunded. The Enrolment and Orientation Fee will not be refunded.
