Please read through this page before filling out the attached form. Be sure to carefully answer each question and include all items on the application check list to speed up the application process.

UNIT PREFERENCES

Please read through the info on the application **carefully** before selecting your units. You must meet any prerequisite requirements for selected units, but otherwise, you may take any units offered in the appropriate semester. Undergraduate students should refrain from requesting units labeled G or PG as these denote post graduate level units which you may not be eligible for. You can find unit offerings at www.canberra.edu.au/courses/

ACCOMMODATION

The UC Study Abroad and Exchange Office currently holds an agreement with the UC Village, an on campus accommodation facility. Most study abroad and exchange students elect this option for housing. Due to high demand at the UC Village, you must apply online at www.ucvillage.com.au before returning your application if you wish to secure this option. **Don't hesitate to return your housing offer prior to your UC offer letter as you will not be held responsible for paying a cancellation fee as long as you notify the Study Abroad and Exchange office and the UC Village before 5pm on May 31 for Semester 1 or December 16 for Semester 2.**

If you don't mind having a roommate, the shared option has been very popular as it is the most economical option and in the newest and closest residence block: http://bit.ly/dual_occupancy. Please have a look at all your options so that you can be well informed before making your room choice:
www.ucvillage.com.au/the-village/your-room.html

UC BUDDY PROGRAM

If you would like to be a part of our buddy program which matches you up with a UC student who has recently returned from exchange, please be sure to tick the box in the Contact Details section. This is a great way to meet an Aussie before the start of your adventures!

THE APPLICATION PROCESS

Once we receive your application form with all supporting documents, it will be reviewed by the Study Abroad and Exchange Office and sent to the UC Admissions Office.
