# James Cook University

## *A brighter future*

When I invite you to explore what James Cook University (JCU) has to offer, it's because I know how much living in a tropical environment can open your eyes to a world of beauty, diversity and opportunities.

Our three main campuses are in the tropical cities of Cairns, Singapore and Townsville, and these vibrant locations will allow you to explore your potential. Along with our dedicated staff, JCU offers well-equipped, modern laboratories and unique research stations in the World Heritage listed Great Barrier Reef Marine Park and the Wet Tropics rainforests.

I want your journey at JCU to be as rewarding as possible, so you can use your experience with us to make a difference, wherever your future may take you.

# Why study abroad at JCU?

JCU's Townsville campus is home to a wonderfully diverse range of Australian fauna and flora

JCU is Australia's leading university for the Tropics. Each semester, we welcome students from all over the world to our Study Abroad program. The program gives you the opportunity to study at undergraduate or postgraduate level in tropical north Queensland for one or two semesters, while receiving credit for your studies back home.

Our strengths lie in teaching experiences and practical learning for the workforce. Our small class sizes ensure you receive one-on-one attention from your lecturers and tutors.

"I would encourage other international students to come to JCU as there is never a better time in your life to have such an incredible and eye-opening experience. Australia is a beautiful country and JCU is so friendly and welcoming."

**Ally Kristan**

The University of North Carolina at Wilmington, USA

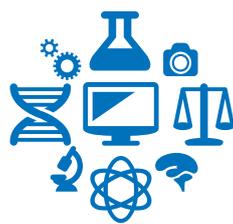

JCU's Cairns campus is located at the foothills of tropical rainforests, and close to tropical beaches and the Great Barrier Reef.

**An international institution**

You can choose to study at any one of our tropical campuses, in Australia (Cairns or Townsville), or Singapore

**Study from A-Z**

Choose from over 300 internationally recognised subjects from Accounting to Zoology

**A natural choice**

Over 22,000 students, including 6,500 international students from over 100 countries

**Gain an advantage**

Students have access to real-life experiences, and field trips that help develop work-ready skills

**Tropical paradise**

JCU campuses are located near the Great Barrier Reef and the pristine rainforests of the Wet Tropics, offering you unrivalled access to some of the world's most beautiful regions through hands-on fieldwork

**Supported study**

With friendly campuses, smaller class sizes and excellent support services, our students receive the attention they need to achieve their best

**Graduate success**

JCU received five stars for success in getting a job from the Good Universities Guide 2017

**Research intensive**

JCU has over 40 research institutes, centres and facilities with plenty of volunteer opportunities

# Accommodation

If you're looking for a place to call home during your time at JCU, look no further than our range of accommodation options. Our dedicated Accommodation team can help you with your search for accommodation that suits you. For more information, visit [jcu.edu.au/accommodation](http://jcu.edu.au/accommodation)

## Townsville accommodation

### ON-CAMPUS ACCOMMODATION

Townsville campus has on-campus accommodation options for up to 1,500 students. Research has shown that students who live on-campus are more likely to achieve higher grades and complete their courses. This is due to the support from peers and residential staff who all want to see you succeed as well as less outside distractions.

Students living on-campus receive support from a residential assistant (RA) – a senior student who has experienced residential living and undertaken a leadership course to supervise and assist the residents. There is usually one RA assigned to between 12 and 20 students. RAs are supported by senior RAs and Principals of the colleges, all living on-campus to provide 24-hour support, should you need it.

There are opportunities to get involved in good-natured competitions between the colleges by competing for the Fisher Shield sporting trophy or in the inter-college music competition.

All of the on-campus accommodation residences are different and offer a range of living and support options to suit the needs and requirements of our students. It is best to do your research to find the one that ticks most, if not all, of your boxes.

JCU'S on-campus accommodation is very popular so we suggest you apply as early as possible so you don't miss out.

### OFF-CAMPUS ACCOMMODATION

In addition to on-campus options, the JCU Accommodation team can also help you find off-campus housing in nearby share houses, private rental properties, homestays and hostels.

Visit [jcu.edu.au/accommodation](http://jcu.edu.au/accommodation) for information on how to apply.

## Planning your budget

### Financial aid and scholarships

Financial aid and scholarships may be available through your home country's government, or your home university's study abroad office. JCU can assist you with accessing foreign government financial aid and scholarships, for more details visit [jcu.edu.au/international-students/apply/fees-and-costs/scholarships-and-financial-aid](http://jcu.edu.au/international-students/apply/fees-and-costs/scholarships-and-financial-aid)

.....

### Working while studying

If you have a student visa and will be working while you study, you can work up to 40 hours in a two week period during university teaching periods (semesters) and without restriction in non-teaching periods. Your permission to work while studying in Australia is automatically included when your student visa is granted. Any work you wish to do cannot commence until your study has begun.

You will also need to obtain an Australian Tax File Number (TFN), which is available for application through the Australian Tax Office at [ato.gov.au/Forms/TFN---application-for-individuals](http://ato.gov.au/Forms/TFN---application-for-individuals)

JCU Careers and Employment Service can assist you with information on part-time and casual employment. They also manage an online job vacancy listing for students [jcu.edu.au/careers](http://jcu.edu.au/careers)

.....

### Overseas Student Health Cover (OSHC)

Most international students are required to organise Overseas Student Health Cover from an approved insurance provider for the length of your visa. OSHC can be purchased through JCU and paid together with your other university fees, or you may organise it directly with the OSHC provider.

If you arrive prior to your student visa being granted you will not have access to your OSHC until your student visa is obtained. The cost of OSHC will vary depending on the insurer and insurance duration required, and is subject to change. If you are an eligible citizen from Norway, Sweden, or Belgium you are exempt from purchasing OSHC under the Australian Government's reciprocal arrangements.

.....

## Your rights

### Education Services for Overseas Students Act

As a provider of education services to international students in Australia, JCU is required to comply with the Education Services for Overseas Students Act (*ESOS Act*) and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (The National Code). The *ESOS* legislation and National Code specify minimum standards for the delivery of courses to students in Australia studying on a student visa, and regulate what information must be given to existing and prospective international students, what support must be provided to existing students, what records are kept, and what information is to be given to government agencies about international students. [jcu.edu.au/policy/student-services/tuition-fee-policy-for-international-students](http://jcu.edu.au/policy/student-services/tuition-fee-policy-for-international-students)

### JCU's tuition fee policy

The Policy sets out students' obligations and rights in relation to tuition fees for overseas students. The Policy also sets out the circumstances in which a student is entitled to a refund as required under the *ESOS Act*.

### JCU's tuition protection service

The Tuition Protection Service (TPS) is a placement and refund service for international students studying on a student visa which also operates under the *ESOS Act*. The TPS replaces the Tuition Assurance Scheme and the *ESOS Assurance Fund*. On the rare occasion that a provider is unable to deliver a course an international student has paid for – and does not meet their legal obligations to make alternative course replacements or provide a refund – the TPS will assist students to find an alternative place or, if this is not possible, provide a refund of any unspent tuition fees. [tps.gov.au](http://tps.gov.au)

### Student Services and Amenities Fee (SSAF)

JCU's Student Services and Amenities Fee provides students with access to services that enhance their university experience. To see the SSAF in action in student life, student representation, and student advocacy visit [jcu.edu.au/students/fees-and-financial-support/brought-to-you-by-your-ssa-fee](http://jcu.edu.au/students/fees-and-financial-support/brought-to-you-by-your-ssa-fee)

.....

### Books and miscellaneous study expenses

Extra course dependent expenses may include specialised equipment, travel to fulfil internship placements, field trips, books and other study materials. With that in mind you will need to incorporate these extra expenses into your budget. You can also use your own laptop or tablet if you wish to, and will need to include its expense in your study abroad budget.

.....

### Deferral, temporary suspension or cancellation of enrolment

The *ESOS National Code* and student visa conditions contain restrictions on when students, or JCU, can defer, suspend or cancel an enrolment. Students may only defer commencement of studies or take a leave of absence once they have commenced, and when there are compassionate or compelling reasons for doing so. A compassionate or compelling reason is something which is beyond an individual's control and which has, or will have, an impact on their academic progress or wellbeing. The University may suspend a student temporarily, enforcing a break from study, in certain circumstances. [jcu.edu.au/international/policies](http://jcu.edu.au/international/policies)

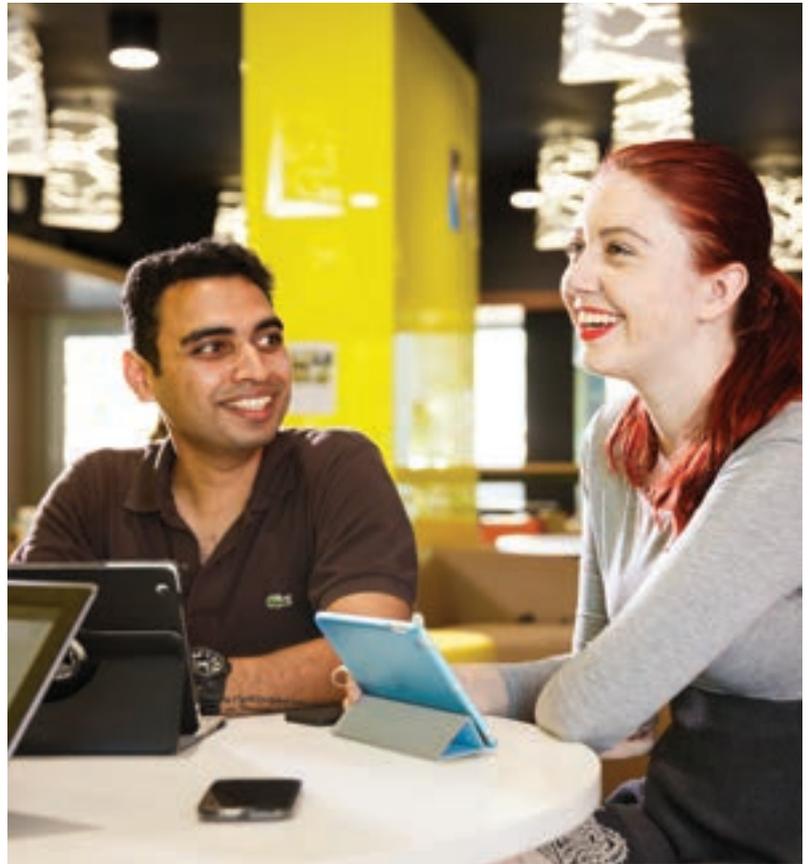

# Student life

Life at JCU is more than attending lectures – it's also about meeting new people, having fun, developing new skills and going home with memories to last a lifetime

JCU are committed to creating a balanced study and social life for our students. There are a range of events held throughout the year that will cater to a variety of interests. Social gatherings, sporting activities, talent competitions and celebrations are organised for students on-campus, and are also hosted by community organisations.

## O Week

O Week serves as the official start to your semester or year at JCU. The week is designed to welcome you and help with the start of your studies. Social activities during the week may include movie nights, themed parties, Market Day, and sporting activities. New students are encouraged to make the most of the tours, workshops and presentations held during the week.

## On-campus convenience

Cairns and Townsville campuses both offer a range of food outlets for your coffee, snacking and lunch needs. Townsville campus also has a post office, supermarket and hairdresser on-campus.

## JCU Student Association

The JCU Student Association are a membership-based organisation who offer a variety of food, sporting, and social activity discounts, events and amenities to students. For more information, visit [jcusa.edu.au](http://jcusa.edu.au)

*There are lots of places around campus to connect.*

# Student life

For help with assignments, finding a place to call home, or someone to talk to, our students have access to dedicated support services on campus

## Volunteering opportunities

For those wanting to become involved in the local community, volunteering is a great option that can also help build up your resume. For example, you can volunteer at the University's Orpheus Island Research Station near Townsville, or at the Fitzroy Island Turtle Rehabilitation Centre near Cairns. For more information, [jcu.edu.au/engage/volunteer](http://jcu.edu.au/engage/volunteer)

.....

## Clubs and societies

Clubs and societies play an active role in the University community by providing students with the opportunity to meet new people with common cultural, political, religious, sporting, recreation and academic interests. See pages 5 and 7 or visit [jcusa.edu.au](http://jcusa.edu.au)

.....

"The best part of my time at JCU has been O Week. We had 'Welcome Sessions' and the mentors were great. They showed us around the campus, and it was easy to get close to the other new international students. I like that Townsville is a big city but not huge. You can go everywhere easily – I like to go to the Strand on weekends. I also like that the campus is close to everything. It's a great city to be educated in."

### Selecting your subjects/courses

#### Check:

- ✓ you meet any prerequisites
- ✓ subjects are offered in the semester you plan to attend JCU
- ✓ whether your subjects are offered at the right campus for you (Cairns or Townsville)
- ✓ your application includes 6 to 8 subjects (one semester), or 12 subjects (two semesters).

[jcu.edu.au/app/studyfinder](http://jcu.edu.au/app/studyfinder)

#### Understanding JCU subject codes and credit points

BZ2450:03	Biodiversity of Tropical Australia
BZ	Discipline area (Tropical Biology)
2	Year level (second year subject)
450	Together with year level, subject code
:03	The number of credit points the subject is worth.

At JCU most subjects have a value of 3 credit points. A normal, full-time study load for a Teaching Period (semester) is four subjects (or 12 credit points).

To gain credit at your home university for JCU subjects liaise with your academic advisor.

The JCU Aquarium facilities offer students the chance to get hands-on experience without leaving the campus.

Expand your skills in one of JCU's many laboratories.

# Entry requirements

## Academic entry requirements

Undergraduate academic entry requirements	Postgraduate academic entry requirements
Successful completion of one semester (six months) of full-time study at a recognised higher education institution with a minimum cumulative GPA of 2.8 out of 4.0, or minimum average results of approximately 65-70%. Academic entry requirements vary by country. Students applying directly after high school may be eligible, and are required to provide their High School Certificate (or equivalent).	Bachelor degree or equivalent.  Postgraduate students applying for the Study Abroad Program can study a maximum of one teaching period.

Find detailed academic entry requirements for specific countries at [jcu.edu.au/international/studyabroad](http://jcu.edu.au/international/studyabroad)

## English language requirements

Test	Required score
IELTS	6.0 (no component lower than 6.0)
TOEFL (paper based)	550 (with a minimum Test of Written English score of 4.5)
TOEFL (internet based)	79 (minimum writing score of 19)
Pearson (PTE Academic)	57

Students whose native language is not English must generally demonstrate their proficiency by achieving a score in a test such as Academic IELTS, TOEFL or Pearson (PTE Academic). Other English language tests may also be accepted as proof of English language proficiency. The table demonstrates the minimum English language proficiency requirement for the Study Abroad Program.

# How to apply

## Step 1

### Choose your subjects (courses)

Choose your subjects at [jcu.edu.au/app/studyfinder](https://jcu.edu.au/app/studyfinder)

#### Check:

- you meet any prerequisites
- subjects are offered in the semester you plan to attend JCU
- whether your subjects are offered at the right campus for you (Cairns or Townsville)
- your application includes 6 to 8 subjects (one semester), or 12 subjects (two semesters).

## Step 2

### Submit your application

#### Online

Complete your application online at [jcu.edu.au/international-students/study-abroad/how-to-apply](https://jcu.edu.au/international-students/study-abroad/how-to-apply)

Include all certified academic transcripts and degree certificates (with official translations if in a language other than English), and your English language test results (if applicable).

OR

#### Via a JCU authorised overseas representative/agent

[jcu.edu.au/international/apply/jcurepresentatives](https://jcu.edu.au/international/apply/jcurepresentatives)

#### Application Deadlines

30 January for Teaching Period 1 (Semester 1)  
30 June for Teaching Period 2 (Semester 2)

**Note:** The academic year is divided into two teaching periods (semesters), Teaching Period 1 (January-June) and Teaching Period 2 (July-December). Study periods fall within one of the above teaching periods. Study Period 1 and Study Period 2 are the most common, and have a study duration of 13 weeks each. Other study periods are block/intensive, and will be shorter in duration.

[jcu.edu.au/student/calendar](https://jcu.edu.au/student/calendar)

## Step 3

### Assessment

Your application will be assessed based on academic and English entry requirements.

## Step 4

### Receive your Offer Letter

If your application is successful you will receive your Offer Letter by email.

The Offer Letter includes:

- the subjects you have been accepted into (you will be enrolled into your top four approved subjects prior to your arrival at JCU).
- tuition fees
- health cover
- and any additional expenses.

## Step 5

### Accept your offer

Once you have received your Offer, please sign each page, complete the Acceptance and Payment form and meet any conditions outlined in your Offer Schedule. Return it to Admissions or your JCU representative/ agent, along with any payment as set out in your Offer Letter.

## Step 6

### Apply for your student visa

It is essential that you apply for an Australian student visa before arriving in Australia. To apply you need to contact your nearest Australian Embassy, Consulate, or High Commission. Their locations are listed at [dfat.gov.au/missions](https://dfat.gov.au/missions)

You can also contact the Department of Immigration and Border Protection (DIBP). The DIBP website contains comprehensive information about applying for visas, student work rights and restrictions, health requirements, and FAQs (Frequently Asked Questions) about student visas. [border.gov.au](https://border.gov.au)

## Global Mobility

JCU has partner universities all around the world for students interested in exchange. Contact the Student Mobility Office at your home institution or have a look at the list of JCU partners at [jcu.edu.au/globalmobility](https://jcu.edu.au/globalmobility)

For more information email [globalmobility@jcu.edu.au](mailto:globalmobility@jcu.edu.au)

"The reason I chose to study at JCU is because I could get a multi-cultural experience by meeting new people from different cultural backgrounds. It's also a good experience to be around other students who are enthusiastic to learn. JCU has helped me a lot by offering many kinds of workshops. The international student support team has also been really supportive by talking to me about my future and what I can do with my experience I have gained here."

## DECLARATION (all applicants must complete)

I declare that the information I have supplied on this form is, to the best of my knowledge, complete and correct. I acknowledge that my application is subject to acceptance by James Cook University and that any offer for a place may be subject to additional conditions which will need to be met to be eligible for admission.

### STUDENT VISA DECLARATION

I make this declaration in relation to my application for my preferred course/s at James Cook University (JCU). I understand that the University will rely on this declaration in relation to any offer of enrolment in the Course which is made to me. I declare that:

- I am a Genuine Temporary Entrant<sup>\*</sup>;
- studying the Course is my primary purpose for coming to Australia;
- I understand that if I am granted an Australian student visa, I will have to comply with the conditions on that visa;
- I believe that I am academically qualified for the Course I have applied for and have, or will have, the English proficiency level required to commence the Course;
- I have calculated the cost of my course, am aware of the current exchange rate between the currency of my home country and the Australian dollar and understand that the exchange rate will vary from time to time;
- I have genuine access to the total funds required<sup>\*\*</sup>, while in Australia, to cover all tuition fees, travel (including return airfare), living costs and overseas health cover for myself and my dependents (if any) for the duration of the Course; and
- If I have ever been refused a visa for entry into Australia or any other country, I have advised JCU and provided a copy of the visa refusal notification from DIBP (or equivalent) and any other relevant documentation.
