## SECTION 6: UNIVERSITY ACCOMMODATION FOR STUDY ABROAD STUDENTS

Do you wish to apply for a place in University of Westminster Accommodation?

**Yes** - please read and complete the rest of Section 6

**No** - skip ahead to Section 7

**If YES, please read the following information:**

At the University of Westminster, we would like to ensure you make an **informed choice** about your accommodation. As such, we recommend that you **actively research** details of the University Accommodation open to Study Abroad students carefully via our Accommodation webpage. After researching your options, you **must** understand the following:

- By choosing University Accommodation, you are aware of the distance between your chosen Hall and the campus(es) your modules are taught. This information can be found on the Accommodation webpage above, by using the journey planner.
- The Education Abroad Team will make an assessment of your housing application based on module choices at time of application - applicants who have 2 or more modules based at the Harrow campus will be considered for Harrow Hall only, even if you change your modules upon arrival.
- Although the University endeavours to place applicants in their first preference of accommodation, it is unable to guarantee that applicants will be offered their first choice of accommodation.
- Whether offered your first or second choice, you are **unable to change your accommodation once you have accepted a housing offer**, even after your arrival due to the high demand for housing.
