Visit resource company Rio Tinto one day and the Marine Park Authority the next to get an understanding of how these very different environments can coexist.

MACKAY

We have two campuses in Mackay. The Mackay Ooralea campus has amazing facilities for nursing, engineering and the trades as well as a student residence, alongside Central Queensland Conservatorium of Music (CQCM). This fantastic facility delivers a wide range of performing arts and digital media courses. You can explore some of Queensland's best beaches which are only an hour away. The Whitsundays are also on your doorstep.

The Rockhampton North campus is the largest campus with over 30 academic buildings, sporting facilities and a student residence, and offers the widest range of course options. At this campus kangaroos are commonly found outside your dorm or lazing around in the beautiful parklands. Rockhampton is known as the beef capital, so be sure to try the local cuisine.
