

STUDY ABROAD – PRE-APPROVED UNITS

Curtin Singapore offers three trimesters every year which starts in March, July and November. As a Study Abroad student, you may choose subjects that are offered in the intake you've applied. Each Curtin subject carries 25 credits and you may choose 4 subjects (100 credits) in 1 trimester (4 months), or 8 subjects (200 credits) over 2 trimesters (8 months). You can only choose subjects that are offered under the Study Abroad program and subjects that are offered in your chosen trimester. To find out the subject availability in your chosen trimester, please contact us at info@curtin.edu.sg
