Who are we ?

UEC is part of the Universidad Europea red, together with Madrid and Valencia

Our campus in “Casa Salazar” opened back in 2012, offering a total of 8 qualifications

At UEC we all strongly believe in BEING GLOBAL. Making our University as international as possible is one of our main goals

That is why every year we welcome several students into our campus, helping them to integrate with the rest of the students, and also showing them the wonders that Tenerife has to offer

What do we offer ?

When UEC opened the doors back in 2012, welcomed degree students from Architecture, Media, Hospitality, Business and Marketing

Nowadays we have increased our academic offer massively, always trying to offer what the market is seeking, adapting our degrees and masters to the era we live in

In only 7 years we have gone from 5 degrees to 13, and from 3 masters to 17

We are also very proud of our next Campus opening in Santa Cruz de Tenerife this September 2020

Most popular Degree Programs

PHYSIOTHERAPY

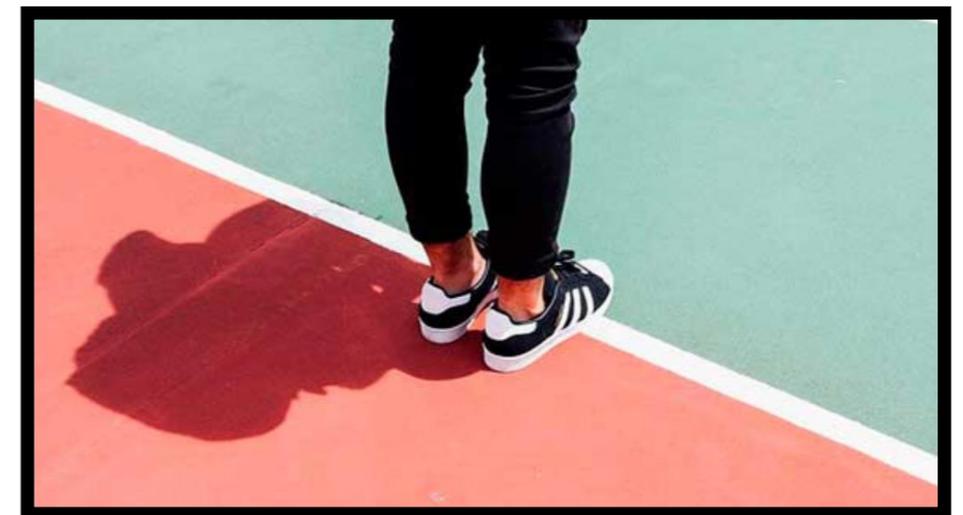

Since we implemented this degree 5 years ago it has been a success. We have double the number of students on this period.

The students that enroll on this degree are highly motivated and always curious about gaining international experience.

With only 3 years with us we have seen an incredibly positive reaction to this degree. The numbers speak for themselves.

Tenerife has the advantage to offer a privileged environment for our students to put in practice the acquired knowledge.

The students of this course are energetic, open minded and hungry for new experiences

SPORTS SCIENCE

Most popular Degree Programs

PSYCHOLOGY

This degree trains our students in the scientific knowledge needed to understand, interpret, analyse and explain human behaviour, and to intervene with ethical behaviour.

The team consist of 71% of PhD in Psychology, with great experience on the field.

We will enhance your creativity by working on real projects from day one and complete your training with skills and values that will make you a more complete and capable professional.

Advertisers and consumers demand advertising that uses the latest communication tools and efficient messages and analyses their results.

MEDIA

Most popular Degree Programs

NURSING

The UEC launched this degree only 3 years ago listening to the needs of the European market. This is one of the career with the highest employability nowadays.

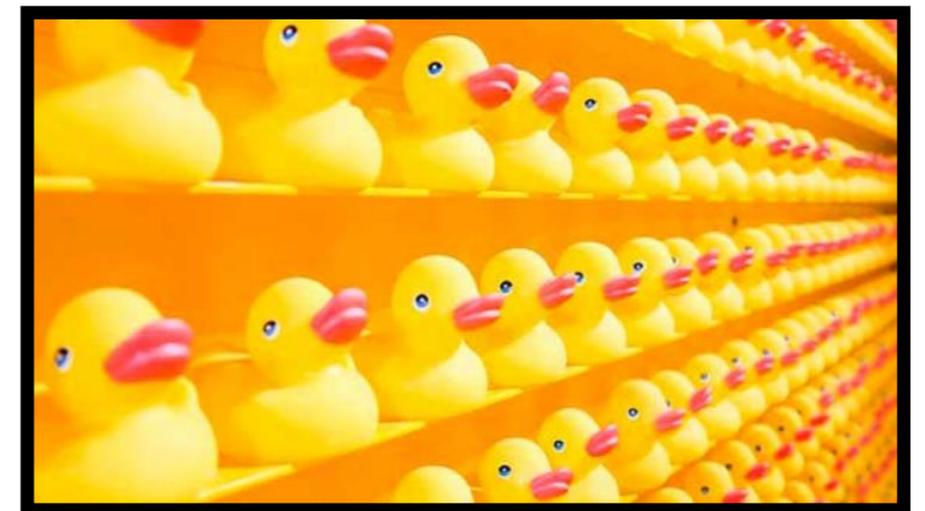

We believe in the importance of making this degree as international as possible due to the high chances of our students working abroad.

We have a fantastic equipped simulated hospital with the latest equipment that allows the student to face all sort of potential real situations.

“Marketing and Commercial Direction” is one of our veterans, and most definitely very popular.

But we still believe in our personalised plan, so our students get a very one to one experience with this degree.

We help them get to where they need to be in this very competitive sector. Working on real cases, executing market researches and getting to work with real agencies from an early start, we make sure our Marketing students get to know the real market

MARKETING

Most popular Degree Programs

HOSPITALITY

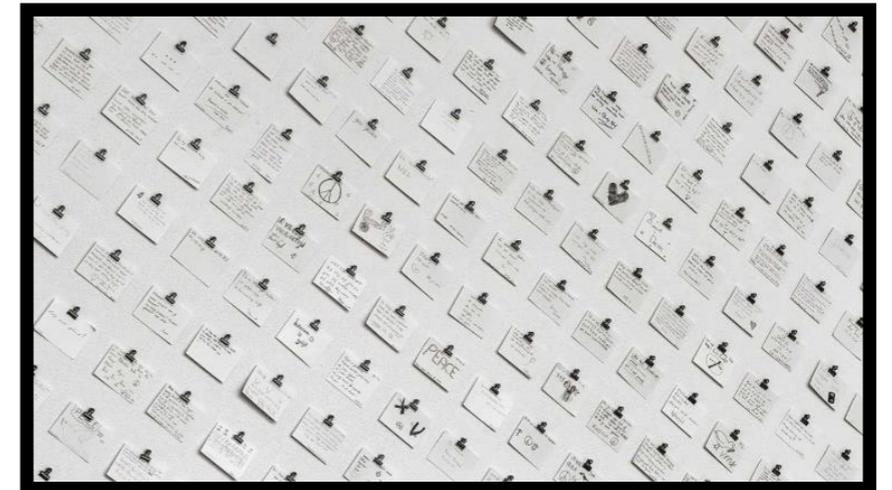

This degree has an international and commercial focus, where we offer 33% of the courses taught in English.

Our students have a very dynamic, restless and entrepreneurial profile.

We work on giving the students on this degree a professional experience and feeling from the first year.

Most of our teachers are still link to the professional world , so they work with the students on current cases and scenarios.

BUSINESS

Our methodology

Personalised

We work on reduced groups with 46 students as a maximum per class. This allows to get a quality teaching experience

Multicultural

At UEC we love to welcome students, teachers and staff from all over the world. Our campus is rich in cultures and offers the opportunity to experience the benefits of this multicultural world

International

We know the importance of exposing our University to the world. We work hard to give our students the opportunity to experience the different ways of working in different cultures

Professional

Our University invest on preparing our students for the professional world from day 1. This is done with the help of teachers linked to the working scene.

We also have a very strong internship program that allows them to get real experiences from the second year

Get to know Tenerife!

Visit this link for some great videos of Tenerife

https://youtu.be/_kQxv83RzwQ

This scenic mountain range is the oldest natural spot on the island. Formed more than 7 million years ago by volcanic activity, today welcome hikers from all around the world

On this area you can also find some amazing beaches, away from the busy touristic areas that will take your breath away

EL TEIDE

Visit the highest mountain in Spain! El Teide is a volcano of 3718 meters

It belongs to "Teide National Park", named a World Heritage Site that offers outstanding landscapes

It is a perfect opportunity for the outdoors lovers offering activities like walks or stars watching

ANAGA

Get to know Tenerife!

The island offers endless possibilities for the lovers of the outdoors

We have a privileged natural landscape that will invite you to practice some of the most fun sports

Get to surf amazing waves, walk our mountains and Natural Parks, or feel the adrenaline while you tandem above the island

Living in the island

La Orotava: Beautiful historical town where the main Campus is situated. The old town of La Orotava has been declared a Site of National Historic and Artistic Interest

Puerto de la Cruz: Is chosen by many students as a resident. It is only 15 min away from Campus. It is one of the main turistic places of the island and offers a seaside view

La Laguna: It is known for their young population and is the most popular location for students to live. Full of nightlife and cultural offer, was also declared by the UNESCO as World Heritage Site in 1991

Santa Cruz: Is the Capital of the island. Here you can find the biggest shopping area, and also offers a lot of restaurants and bars.

TRANSPORT: The main form of transport in the island is the Bus. Regular service is provided between Santa Cruz y La Laguna to La Orotava, taking between 20-30 minutes <https://titsa.com/>

FINDING ACCOMMODATION: We do not offer an in-Campus residence, so students normally rent a shared flat.
