CHOOSE SOUTHAMPTON

Join one of the world's leading universities based on the beautiful south coast of England, UK. We provide outstanding teaching and a range of opportunities to participate in events and activities throughout the year, and have a track record of developing our students into confident critical thinkers and well-rounded individuals upon graduation.

Build your career

Benefit from our award winning careers service via paid internships, volunteering opportunities, specialist careers fairs and numerous workshops.

Undertake a year in employment or industry as part of your undergraduate course*.

PhD students can also access exceptional professional and social support via the Doctoral College.

Become an entrepreneur

As well as an entrepreneurship degree, we offer extensive support for student enterprise and budding entrepreneurs including workshops, mentorship, competitions and funding opportunities.

Study Abroad and Exchange

Widen your horizons with opportunities to spend time at one of our partner universities as part of your degree. Opportunities exist for summer school study, or a year or semester abroad.

Southampton and Winchester

Just 10 minutes apart by train, Southampton and Winchester are two prime cities on the south coast of the UK. Whilst Winchester, home to the Winchester School of Art (WSA) is steeped in history, Southampton combines an ancient past with thriving modern developments.

Fixed fees to ease your budget

To make it easier for students and their parents to budget, we are one of only a few UK universities that have introduced the same fixed fee for each year of your course for international students. If you start at the University in academic year 2018/19 you will pay the same fixed fee for each year of your course up to a maximum of four years.

To make payment straightforward we offer a range of payment options including bank transfers.

The majority of our courses follow standard fees indicated below.

Please note: All figures quoted in this section may be subject to change. Please check our website to confirm fees prior to applying.

Scholarships

Scholarships and funding opportunities are available from the University, Faculty and Academic Units, external programmes and government schemes.

Students from the EU are also entitled to apply for an undergraduate or postgraduate student loan to cover your tuition fees and living costs.
