THOMPSON RIVERS UNIVERSITY

Located in stunning Kamloops, BC - With breath-taking views, our campus overlooks the joining of the North and South Thompson Rivers in British Columbia's sunny interior.

These are the traditional lands of the Secwepemc (Shuswap) people—grasslands, pine forests, lakes and mountain peaks. Four seasons of outdoor adventures, minutes away.

As a research university with quality education, you can choose from over 140 on-campus programs and 60 Open Learning programs—in Arts, Business, Education, Nursing, Science, Tourism, Trades and many more. **Here, when you pursue your path, your passion, your connection, and your focus you will find your TRU.**

FIND YOUR PATH

At Thompson Rivers University, you'll find many paths to learning, a hands-on approach and a supportive, inclusive environment. For those kindred spirited and adventurous minds, you needn't look further than the gates of TRU. Here the cultures of the world are welcomed, intercultural understanding is promoted, and the diverse ideas you have instilled in your life can be proudly shared. **Whatever place you're starting from, you can find your path at TRU.**

STUDY IN BC'S FRIENDLIEST CITY.

As a resident of Kamloops, you will feel welcome, comfortable, and at home. Thompson Rivers University's Kamloops campus is located in the heart of the city overlooking the North and South Thompson Rivers. The TRU campus features plenty of green space, a botanical garden, and an impressive mix of historic and modern facilities.

A vibrant community of over 13,000 students on campus from across Canada and around the world complete undergraduate and graduate degrees in addition to diplomas, apprenticeships, professional certificates, continuing studies, and ESL.

Fitting for a university located in the Tournament Capital of Canada, TRU has 10 WolfPack varsity teams comprised of 200 athletes, participating in basketball, volleyball, hockey, baseball, soccer, badminton, cross- country running, curling, and swimming. Another 600 students participate in an active intramural sports program.

LIVE IN KAMLOOPS

STUDY IN WILLIAMS LAKE

Williams Lake is a beautiful city located in the central interior of British Columbia. The city boasts beautiful skies and is surrounded by calming lakes. It is the largest urban centre between Kamloops and Prince George. Williams Lake hosts the world famous stampede which is the second largest of its kind in Canada.

- **Williams Lake area population: 36,000**
- **Very affordable cost of living**
- **Small class sizes with dedicated faculty**
- **Diverse multicultural environment**
- **Safe and friendly**
- **Close-knit campus community**
- **All types of student services**

STUDY FROM ANYWHERE

As British Columbia's leading online and distance education provider, TRU Open Learning offers over 550 courses and 60 programs.

More than 17,000 students take advantage of TRU's flexible learning options to study online or by distance.

Open Learning offers more choice and flexibility in your semester schedule and you may complete courses towards your degree before you arrive to study on campus, saving both time and money.

FIND YOUR PASSION

TRU is a hub for anything and everything diverse. By welcoming this diversity, TRU facilitates creativity and innovation. Whether you aspire to reach for the moon, improve social and economic development around the world, or become an exceptional artist, TRU's mentors and staff will ensure that your needs are met. Through internships, co-op placements, and volunteering opportunities at TRU and in our community, your success is only a few steps away. **TRU takes you beyond the classroom to find your passion through real-world experiences.**

GET INVOLVED

PARTICIPATE IN STUDENT CLUBS

TRU has many clubs that you might be interested in. Get involved in these clubs to explore your potential and showcase your skills and talents! This is a great way to make new friends, create some lasting memories and have lots of fun!

Clubs by Faculty

- **Accounting Club**
- **Biology Club**
- **Marketing Club**
- **Finance Club**
- **Psychology Club**
- **MBA Club**
- **Human Resources Club**
- **Computer Science Club**
- **and more!**

- **Toastmasters Club**
- **Model United Nations Club**
- **Gamers and Geeks Clubs**
- **F22 Photography Club**
- **and more!**

INTERNATIONAL DAYS FESTIVAL

International Days is our award-winning unique, week-long, campus-wide celebration of cultures from around the world. Learn about the diversity at TRU and share information about your own culture. Join our celebration of art, food, music, singing, and dance!

SCAN WITH layar

Take a sneak peak into I-Days!

VARSITY ATHLETICS

TRU's Kamloops campus features extensive athletic facilities, including a sports complex and stadium with an Olympic-sized swimming pool, jacuzzi, saunas, two fully equipped fitness centres, extensive indoor track and court facilities, and a FIFA-approved artificial grass stadium. TRU offers a comprehensive varsity athletics program as well as extensive intramural and club sports. Wolfpack Varsity Teams : Baseball, Soccer, Basketball, Volleyball, Hockey, Badminton, Curling, Cross-country running, Cheerleading, and Swimming.

Athletic Scholarships

The TRU International Student Athletic Scholarship (ISAS) is intended for international students of outstanding sporting ability who qualify for one of TRU's varsity teams.

Intramural Sports & Recreation

Just for the fun of it! TRU Recreation offers fun games, events, tournaments, trips, and more! By getting involved you'll make your university experience memorable, meet new friends, and face new challenges.

Off-Campus Sports

Kamloops offers top-level coaching and club competition in many different sports including swimming, rowing, track & field, rugby, figure skating, football, gymnastics, and skiing. Students interested in competitive/club sports can attend TRU while pursuing their sport off campus.

See you at the game!

LEAP LEISURE EXPLORATION ACTIVITY PROGRAM

EXPLORE CANADA WITH LEAP

Leisure Exploration Activity Program at TRU provides international students with educational, fun, and exciting activities each semester for nominal charges. This is your best way to meet new people, explore the Kamloops area, experience Canadian culture, get involved in planning and organizing events and try new activities.

Activities such as

- White Water Rafting
- Halloween Party
- Day trip to Vancouver
- Rock Climbing
- Ice Skating
- Shopping Trips
- Kelowna Excursion
- and many more!

YOUR CAREER STARTS HERE

EARN WHILE YOU LEARN

International Students are eligible to work on and off-campus while studying full-time, and qualify for a full-time work permit after graduation. Work up to 20 hours per week while studying and work full-time during scheduled breaks. There are many opportunities for international students.*

GET 100% PREPARED FOR YOUR CAREER

The Career Education Department helps students plan their careers from building a professional resume to getting selected for the job interview. These career counsellors have years of experience and are committed to supporting international students reach their career goals in Canada through a variety of initiatives.

CO-OPERATIVE EDUCATION

Co-operative education combines academic studies with paid work experience. Students alternate between terms of full-time study and full-time employment.

Why Co-op?

- **Get paid career-related work experience while studying**
- **Earn academic credits and transcript distinction**
- **Maximize job opportunities upon graduation**
- **Choose from co-ops in Kamloops and across Canada**
- **TRU Co-op office prepares students for interviews and job placements**
- **Choose to work between one and up to five semesters**

For Co-op requirements, fees, and more information, check **tru.ca/careereducation**

Average Co-op salary

Program	Average Monthly Salary
BBA	C$2600
Sciences	C$2700
Arts	C$2400
IT	C$2900

*cic.gc.ca/english/study/work.asp

Sample Co-op schedule

(based on working 5 co-op semesters)

	Year 1	Year 2	Year 3	Year 4	Year 5
September to December	Academic Semester 1	Academic Semester 3	Academic Semester 5	Academic Semester 7	Academic Semester 8
January to April	Academic Semester 2	Academic Semester 4	Academic Semester 6	Co-op Work Term 3	
May to August		Co-op Work Term 1	Co-op Work Term 2	Co-op Work Term 4	Graduation

WORK AFTER GRADUATION

As an International student graduating from a Canadian post-secondary institution, you are eligible to remain in Canada to work. Students completing a minimum two-year program of study may be eligible to work for up to three years.*

SUCCESS STORIES

Many of our international graduates have successfully found job opportunities in their area of study and interest in Canada. Here are some of the many companies that love to work with TRU graduates.

Our international academic advisors help you in course planning before you arrive on campus and monitor your academic performance to provide counselling support. They look after your academic success guidance and also hold workshops.

Our international admissions team helps process applications (within one week approximately), assists students with their enquiries and advises on specific program requirements.

LIVE ON CAMPUS

Be minutes away from your classes. Enjoy easy access to campus amenities and nearby city recreational facilities. Belong to a vibrant, active community of students from Canada and around the world. Live on campus at the TRU Residence ("TRU Rez") or On-Campus Housing ("McGill").

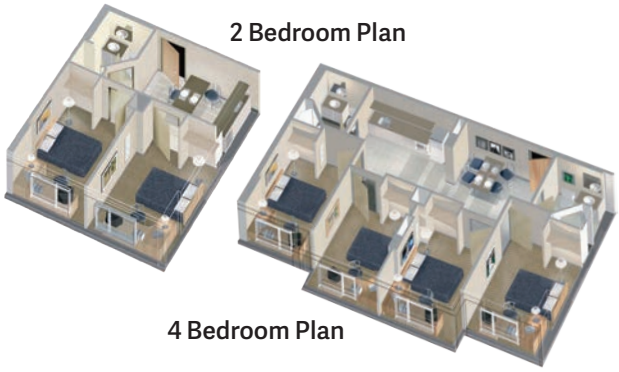
> tru.ca/housing

TRU Residence

The 11-storey TRU Rez has some of the best views in the city. Each of the 570 private bedrooms include a desk, chair, double bed, phone, TV, and lamp. Floors are co-ed, but two- and four-bedroom suites with shared kitchenette and washroom are either all female or all male. New students to TRU are guaranteed accommodation if you apply by March 31st. After that date, applications will be accepted on a first-come, first-served basis.

Rates for September 2016 – April 2017 (Fall/Winter)

- **Application Fee/Deposit: $500**
- **2 or 4 bedroom suite: $7,250**



2 Bedroom Plan

4 Bedroom Plan

On-Campus Housing

On-Campus Housing (McGill Residence) offers 302 self-contained bedrooms with kitchenettes in four-bedroom "quad" units in three buildings. Each all-female or all-male quad includes a shared washroom and common area, with access to a central building which includes laundry, bike room, mail room and resident kitchen (as well as study and recreational space). Applications are accepted on a first-come, first-served basis.

Rates for September 2016–April 2017 (Fall/Winter)

Choose between Regular, Upgrade and Deluxe **($4,264-$4,753)**

Off-Campus Housing

Learn more about your off-campus housing options through the Off-Campus Housing Registry, the TRUSU Student Housing Resource Centre, and the Homestay Program for International Students.

Homestay: Live with a Canadian Family

Managed by TRU world staff, TRU's homestay program offers a great opportunity for students to experience Canadian culture and practice English by living with Canadian families or individuals. More than 450 carefully selected Canadian homestay providers participate in this program.

Homestay Advantages

- **A private furnished bedroom**
- **Three meals per day, and snacks**
- **Care and support of a Canadian family**
- **Share your culture**
- **Practice English in real life situations**

(Approx $750 per month includes meals)

INTERNATIONAL TRAINING CENTRE

Summer Camps & Short-Term programs

Language and Culture Open Programs (Open to all students)

Our three and four-week programs provide students with a learner-centered environment that enables them to acquire English through listening, speaking, and active participation in a rich educational environment. The program combines English-language training with cultural activities, opportunities to practice English in real life situations, and full immersion experience with homestay families.

4-week Summer Language & Culture Program: July 4-28, 2017

3-week Summer Language & Culture Program: August 8-25, 2017

3-week Winter Language & Culture Program: February 6-24, 2017

Specialized Language & Academic Preparation Programs

Language & Culture Transition Program (3 weeks): August 8-25, 2017

This program is for new students registered in academic programs at TRU starting in Fall.

- Improve Accuplacer ESL test score
- Improve listening and speaking skills
- Twelve additional classroom hours
- Time to become familiar with TRU and Kamloops before classes start

University Success Program (6 weeks): June 20 – July 29, 2017

This six-week innovative and exciting program's main objectives are to:

- Improve Academic English language proficiency
- Attend select university lectures & experience real university campus life
- Experience Canadian culture & activities

BC Offshore School Enhancement Program (4 weeks): July 31-August 25, 2017

Provides students the opportunity to increase success on their provincial exams and future studies at TRU.

Wild, Wild, West Program (3 weeks): August 21-September 8, 2017

The perfect setting for stepping back in time while experiencing a unique and thrilling English program!

- Visit real ranches and rodeos
- Go horseback riding, camping, & gold panning!
- Attend English classes and improve speaking and listening skills

What is included in all camps and short-term programs:

- Homestay accommodation (includes all meals & living costs)
- All recreational & cultural activities
- Airport Pick-up/Drop-off
- TRU campus and City orientation
- Free wifi on campus
- Support from Advisors and Instructors

What you will gain:

- Improved speaking, listening and presentation skills in English
- Improved study skills
- Lifelong friendships with students from around the world
- A great Canadian experience

Professional Development Programs

Professional Development for Post-Secondary Educators: Various dates available (based on groups of 20)

Develop and expand your understanding of current pedagogical theories while being introduced to a variety of new teaching techniques and strategies.

Professional Development for Teachers of English as a Foreign Language: Various dates available (based on groups of 20)

Introduce participants to a variety of proven teaching techniques & strategies that will enhance their own teaching styles.

TRANSNATIONAL PROGRAMS

The Department of Transnational Education offers an exciting range of transnational partnerships and linkages, which allow for exciting and unique ways to gain TRU credits and experience.

TRU has more than 40 Transnational partner institutions around the world including China, Colombia, Germany, Iceland, India, Korea, Mexico, Norway, Scotland, Spain, Turkey, USA, and Vietnam and more than 1,300 students are currently enrolled in TRU programs delivered at partner institutions which include Business and Computer Science.

TRU Articulation agreements allow students to seamlessly transfer credits earned at their home institutions into TRU programs. Current programming areas include Arts, Business, Science, Computing Science, Tourism, and Technology Management.

TRU Pathway partners include high schools and English language schools in Canada and globally to create pathways for students to complete their preparatory studies and then transfer smoothly to university studies at TRU.

TRU's Visiting Student Program provides students with the opportunity to study abroad in Canada. The program includes intensive English language courses and/or university academic courses. All courses may be counted towards university credits at the TRU partner institution.

SCAN WITH layar

Where will you go?

STUDY ABROAD

Enhance your degree and your university experience! Make your degree stand out and incorporate an international experience into your studies. You'll broaden your perspective, expand your job opportunities,have fun—and, it can count towards your degree!

Student Exchange

Through an extensive network of international partnerships, TRU offers a comprehensive student exchange program. There is no better teacher than life experience and no better classroom than the world. Study for one or two semesters in another country and have those credits applied toward your TRU degree. Currently, there are opportunities at more than 220 institutions in over 40 countries.

Field Schools

TRU operates a number of specialized field schools which are unique in terms of location, course content, program length, and cost. Earn course credit in international field schools —courses run from two to six weeks. Step outside of the classroom with a TRU field school to experience hands-on learning.

Short Term Summer Programs

Yet another great way to travel and experience another culture - for credit. Many of our Bilateral exchange partners run 2, 3, 4 and 6 week programs which students can participate during the months of May, June, and July. These programs typically cover accommodation, some meals, and cultural activities. If you are not sure about diving into a full semester abroad, let this short term experience be the testing ground to get your feet wet!

FIND YOUR FOCUS

TRU opens its doors with various options and a range of diverse disciplines, the best of Arts, Business, Education, Nursing, Science, Tourism, Trades and other fields of study. We expand horizons with our breadth of exceptional programs – from certificates to bachelor's, and post-baccalaureate diplomas to master's degrees. With small classroom sizes, field studies, practical experience, and a friendly and supportive study environment, **TRU provides the perfect setting that helps you find your focus.**

RESEARCH AT TRU

SEARCHING FOR SUPERHEROES

Naowarat (Ann) Cheeptham, PhD

Associate Professor,
Department of Biological Sciences TRU microbiologist

Dr. Naowarat (Ann) Cheeptham is going to extremes in her search for new sources of antibiotics to fight multi-drug-resistant bacteria. Working with an expert cave explorer to collect microorganisms from some of Canada's most remote, extreme cave habitats, she and her team of graduate and undergraduate researchers are testing hundreds of these tough, adaptable bacteria for potential antibiotic superpowers.

SCAN WITH layar

Watch this Bloomberg video on Dr. Naowarat's research

ADVANCING THE BATTLE AGAINST DRUG RESISTANT BACTERIA

Kingsley Donkor, PhD

Associate Professor, Department of Chemistry

One very promising area of research is into lantibiotics—substances that not only show remarkable effectiveness against many forms of bacteria but also have a promising ability to thwart the development of resistance. Dr. Donkor is working to discover the precise way in which lantibiotics destroy bacterial cells so that he can use that knowledge to develop new and even more effective lantibiotic substances.

UNDERSTANDING AND PRESERVING THREATENED ECOSYSTEMS

Lauchlan Fraser, PhD

Professor, Department of Biological Sciences

Canada Research Chair in Community and Ecosystem Ecology

Grasslands and wetlands represent some of the earth's most important, yet highly threatened ecosystems. As the pressures of global climate change intensify, these ecosystems are coming under increasing strain. Over the past two decades Dr. Lauchlan Fraser has addressed fundamental questions in how environmental processes influence key plant species in delicate grassland and wetland systems. His work is assisting in the development of strategies to overcome challenges to species survival.

INTERNATIONAL ACCREDITATIONS AND TRANSFER CREDIT

International Baccalaureate (IB)

The IB diploma is accepted for admission to TRU. Transfer credit will be granted for higher level courses completed with a score of 5 or higher. Students have the option to decline the transfer credit if they wish to complete the course(s) at the University.

To transfer credits to Arts, Business or Science you must have:

1. Official IB transcript
2. Higher Learning courses only
3. Grade of 5, 6 or 7

For a complete list of the IB transfer credits, please go to: *tru.ca/admissions/hs-students/ib*

Official transcripts must be sent to the Admissions Office directly from the testing centre. Transcripts can be requested from:

International Baccalaureate, New York
Attn: Transcripts
475 Riverside Drive, Suite 240
New York, NY 10115
Phone: 212.696.4464

Advanced Placement (AP) Exams through the College Board

AP exams will be accepted for admission to TRU. Transfer credit is granted for approved subjects passed with a grade of a subject grade of 4 or higher. Official transcripts must be provided from the College Board. Students may choose to repeat a course at TRU by forfeiting the credit. To transfer credits you must have:

- Official AP transcript
- Grade of 4 or 5

For more information on transfer credit to arts, science or business programs at TRU visit *tru.ca/admissions/hs-students/standing/cb*

General Certificate of Educational Studies (GCE)

Students completing their GCE will be considered for admission on a combination of factors. For admission to TRU you will need:

- A minimum of two Advanced (A) level courses and two Advanced Subsidiary (AS) level courses or
- A minimum of two A-level courses and three Ordinary (O) level subjects
- Completion of O-levels (University Preparation courses will need to be completed at TRU)

GCE Advanced Level (A-Level Exams) transfer credit

Transfer credit is granted for approved A-level courses passed with a grade of an A or B. Official transcripts must be provided to receive transfer credit (Check the BC Transfer Guide to see the specific TRU credit for the identified AP and IB courses). Students may choose to repeat a course at TRU by forfeiting the credit. To transfer credits, you must have:

1. Official GCE transcript
2. A-Level courses only
3. Grade of A or B

For more information on transfer credit to arts, science or business programs at TRU visit *tru.ca/admissions/hs-students/standing/alevel*

DAAD

TRU will accept the DAAD language test with a minimum B2 level as proof of meeting the English Language requirement for Visiting International Students only. Students will be required to take the English Placement Test on arrival only as guidance for counselors in the event students may need more English language support.

General Education Development (GED) Test

GED is an accepted high school equivalent for admission to TRU under the following conditions:

- Must be 17 years of age
- Will need IELTS score
- Will need to take Accuplacer Math assessment at TRU

Transfer Credit

TRU will accept college and university transfer credit. Official transcripts and detailed course outlines must be provided to receive transfer credit

1. Transfer credit assessment is done once the student has been admitted to TRU and submitted official transcripts and course outlines
2. A maximum of 50% of any program will be recognized outside of TRU
3. International Admissions will assess a student's formal learning from other accredited post-secondary institutions
4. TRU will give transfer credit whenever possible, total will differ depending on the program

FOR DIRECT ADMISSION

English Proficiency

English 12: 73% (B)
IELTS: 6.5+ with no bands below 6.0
TOEFL iBT: 88+ with no section below 20
TOEFL PBT: 570+, TWE 4.5+
MELAB: 81+
CanTEST: 4.5+ with no component below 4.0
CAEL: Overall 70+, no subtest below 60
PTE: 58+

Academic Requirements

Secondary school completion (high school graduation)
Transcripts from all previous post-secondary institutions (if applicable)
Other requirements vary by program. For detailed requirements, please refer to pages 20 – 32 or tru.ca/programs

ENGLISH LANGUAGE PROGRAMS AND U-PREP

TRU is a leader in "English as a Secondary Language" (ESL) and "University Preparation" (U-Prep). Our ESL program is designed to provide specific and appropriate language training for students who plan to proceed to post-secondary study, focusing on English for academic purposes. Our students come from around the world, and we look forward to meeting you!

THE TRU ADVANTAGE

1. **English Placement Test (EPT) is available upon arrival**
2. **IELTS and TOEFL scores are accepted**
3. **Academic ESL designed for university prep**
4. **Can combine ESL and Academic courses for credit in levels 4 and 5**
5. **20 hours of classroom instruction per week**
6. **Language labs and activities**
7. **Access to Leisure Exploration Activity Program (LEAP)**

Each of the five levels of TRU's ESL Program take one semester to complete. Students with no official test score will take an English Placement Test (EPT) upon arrival at TRU and will be placed in the appropriate level of English language study as indicated in the chart below. If a student has an official test score they may choose to enter ESL or academic courses without taking the TRU English Placement Test. Please refer to chart.

Note: In order to guarantee registration for the courses you want, please submit your English test scores one month before arriving at TRU.

ESL Bridging Certificates

Each requires completion of Level 4, one ESL elective, and two specific academic courses.

- **English and Sciences**
- **English and Liberal Arts**
- **English and Fine Arts**
- **English and Business**

GLOBAL COMPETENCY

Recognizing Future Global Leaders

The TRU Global Competency Certificate allows students to earn formal recognition for their intercultural and international experiences—from Study Abroad, to learning a second language, to volunteer work.

Global Competency is a credential that can be earned in tandem with any credit program—undergraduate or graduate—offered by Thompson Rivers University. The program uses a portfolio approach that allows each student to track a number of different educational and personal experiences.

How Do I Earn It?

To earn this credential, a student must:

1. **Attend an Orientation session**
2. **Sign up for GLBL1000**
3. **Earn and compile points**
4. **Submit a portfolio to the Centre for Student Engagement office OM1468**

The rigorous BSc program offers opportunities for practical experience, co-op, undergraduate research and mentorship by internationally recognized faculty researchers across a spectrum of disciplines. **> tru.ca/bsc** ***Majors:*** Animal Biology, Biology, Cellular, Molecular & Microbial Biology, Chemistry, Chemical Biology, Computing Science, Ecology & Environmental Biology, Economics, Environmental Chemistry, General Science, Math, Mathematical Sciences, Physics, Pre-professional Health Science ***Minors:*** Environmental Economics & Sustainability, Management	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Pre-calculus 12 (or equivalent) 67% (C+) • Biology 11 or Biology 12 (or equivalent) 67% (C+) (not required for majors in computing, math or physics) • Chemistry 11 or 12 (or equivalent) • Physics 11 or 12 (or equivalent) ***Upgrading available while in the program***	• Lab Technologist • Computing Analyst • Project Manager • Scientific Writer • Technical Manager	• Cell Biology • Inorganic Chemistry • Numerical Analysis • Relativity and Quanta • Sustainable Economic Development
Bachelor of Natural Resource Science Gain a broad and in-depth understanding of natural resources, including not only biology, ecology and scientific method, but sector-specific resource management for forestry, fisheries, range and recreation. The BNRS program provides hands-on learning in the field and opportunities for undergraduate research and study abroad. **> tru.ca/bnrs** ***Minors:*** Environmental Economics & Sustainable Development	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Pre-calculus 12 (or equivalent) 67% (C+) • Biology 11 (or equivalent) 67% (C+) • Chemistry 11 (or equivalent) 67% (C+) ***Competitive admission***	• Fisheries Researcher • Forestry Interpreter and Guide • Wildlife Biology Researcher • Range Manager • Ecology and Land Manager	• Biometrics • Natural Resource Pathology • Range Ecology • Forest Economics • Chemical Bonding and Organic Chemistry
Computing Science Diploma Become proficient in the application of computers to solving business-related problems. Develop your technical and computer skills in combination with communication and business skills. Your diploma credits count towards completion of the Bachelor of Computing Science. **> tru.ca/compsci**	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Pre-calculus 12 or Math 12 (or equivalent) 67% (C+) ***Upgrading available while in the program***	• Multimedia Developer • Game Developer • Human Computer Interface Designer • Network and Telecommunication System Administrator	• Mathematics for Computing Science • Website Design and Development • Database Systems • Computer Programming

See list of equivalencies for English requirements on pages 18-19

Program Name	Minimum Requirements	Sample Job Titles	Sample Courses
Architectural & Engineering Technology Diploma (ARET) This nationally accredited program is a three year diploma that emphasizes the design processes in building, civil and mechanical technologies, building structures, municipal services, electrical, plumbing and HVAC systems. On completion, students can ladder into the Bachelor of Technology Management (BTTM) degree and finish the degree after just three more semesters. **> tru.ca/aret**	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Math 12 (or equivalent) 67% (C+) • Physics 11 (or equivalent) ***Limited seats***	• Building Technologist • Civil Technologist • Architectural Designer • Mechanical Technologist	• Computer Aided Design and Drafting • Building Electrical Design • Site Planning and Development • Fluid Mechanics
Engineering Transfer (Year 1) Get started on your engineering degree at TRU by taking one year of general study courses that are common to all engineering disciplines. This program transfers into the second year of a full engineering program at either the University of British Columbia or the University of Victoria, or stay at TRU to complete Year 2, Electrical or Computer for entry into third year at UVic. **> tru.ca/et**	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Pre-calculus 12 (or equivalent) 73% (B) • Chemistry 12 (or equivalent) 73% (B) • Physics 12 (or equivalent) 73% (B) ***Competitive admission***	• Chemical Engineer • Civil Engineer • Mechanical Engineer • Electrical Engineer • Computer Engineer	• Principles of Software Development • Engineering Graphics • Linear Algebra for Engineers • Principles of Chemistry • Physics for Engineers
Engineering Transfer (Year 2, Electrical or Computer) Complete second year engineering courses in either electrical or computer engineering, plus a four- to eight-month co-op term. Study circuit analysis and digital electronics, design and test microcontroller circuits, and learn to control various mechanical systems. Transfers to the third-year electrical or computing stream at the University of Victoria. **> tru.ca/et**	• Completion of first year of the Engineering Transfer Program at TRU (38 credits) with a cumulative grade point average of 2.50 • A minimum grade of C- or better in all courses that are part of the first-year transfer program. ***Competitive admission***	• Electrical Engineer • Computer Engineer • Aerospace Engineer • Biomedical Engineer • Software Engineer	• Circuit Analysis • Differential Equations • Calculus • Digital Electronics • Electrical Properties of Materials • Computer Programming
Forestry Transfer Program Complete the first two years of UBC's four-year forestry degree program at TRU. A general year of forestry is followed in second year by forest resource management, forest operations, forest science and natural resource conservation. With a GPA of at least 2.50 in the required courses, you are eligible to apply for admission to the UBC Faculty of Forestry. **> tru.ca/forestry**	• All English 12 (73%), or IELTS 6.5 (or equivalent) • Pre-calculus 12 (or equivalent) 67% (C+) • Two of Biology 11, Chemistry 11 or Physics 11 (or equivalent) - All three strongly recommended • One of Biology 12, Chemistry 12 or Physics 12 (or equivalent) ***Competitive admission***	• Forest Development Manager • Planning Forester • Fisheries and Wildlife Officer • Landscape Planning and Green Space Designer • Urban Ecological Assessment Specialist	• Forestry Mensuration • Forest and Environmental Climatology • Physical Geography • Regional Geography of Canada
Applied Sustainable Ranching Diploma During this program students will gain the expertise to build and sustain ranching enterprises within BC's industry and apply that knowledge to agricultural businesses in any region. Students will gain an understanding of ecosystem management in the last intact temperate grassland in the world. Students do not require to live in Williams Lake to take this program. **> tru.ca/williamslake/programs/ranching**	• All English 12, or IELTS 6.5 (or equivalent) • A good working knowledge of Microsoft Word and Excel • Two letters of reference • Students are responsible for finding their own suitable work experience placement	• Ranch Worker • Dairy Farm Laborer • Combine Operator • Apiary Worker • Sheep Shearer	• Building a Business Strategy • Biodiversity and Plant Needs • Invasive Species • Equipment Maintenance • Genetics, Designing and Breeding

Trades and Technology

Program Name	Minimum Requirements	Sample Job Titles	Sample Courses
Bachelor of Technology Complement your strong technical expertise with the knowledge and skills required to become an effective workplace manager. Learn to communicate and lead effectively, manage large-scale projects and emerging technologies, operate sustainably, function in a global economy, and perform research. Some courses count as prerequisites of the Master of Business Administration. **> tru.ca/bt**	• All English 12, or IELTS 6.5 (or equivalent) • Completion of a two-year diploma in technology, a recognized trades qualification (or equivalent) ***Limited seats***	• Construction Manager • Product Development Manager • Technologist • Quality Assurance Manager	• Project Management • Introduction to Research Methods • Decision Analysis • Econometrics • Industrial Organization
Water and Wastewater Technology Diploma Develop marketable expertise in the operation and maintenance of water and wastewater treatment, distribution, re-use and disposal facilities and in monitoring source water quality. This state-of-the-art program encompasses chemistry, microbiology, math, mechanical and electrical systems, instrumentation and treatment technologies as they are applied in the increasingly vital water industry. **> tru.ca/water**	• All English 12, or IELTS 6.5 (or equivalent) • Math 11 (or equivalent) • Recommended: Chemistry 11 (or equivalent) and Biology 11 (or equivalent) ***Limited seats***	• Hazardous Materials Specialist • Water Quality Technician • Municipal Water and Wastewater Quality Technician	• Microbiology and Toxicology • Management and Leadership Skills • Source Water Protection Management • Wastewater Utility • Mechanical Systems
Water and Wastewater Utilities Certificate Learn to effectively operate and maintain water and wastewater treatment, distribution and collection systems and start your career in an in-demand trade with this entry-level eight-month program. Your certificate credits count towards the Water and Wastewater Technology Diploma program. **> tru.ca/water**	• All English 12, or IELTS 6.5 (or equivalent) • Recommended: Math 11 (or equivalent), Chemistry 11 (or equivalent) and Biology 11 (or equivalent)	• Lab Technician • Wastewater Treatment Plant Operator • Eco-toxicologist • Landfill Engineer	• Filtration • Coagulation and Particle Removal • Water Chemistry • Water Treatment • Introduction to Wastewater

WELCOME TO TRU

- **Founded in 1970, Public University**
- **140+ on Campus Programs**
- **13,000+ Students on Campus**
- **1800+ International Students from 85+ Countries**
- **Average Class Size of 21 Students**
- **Safe and Comfortable Environment**
- **Award Winning International Student Support**
- **Award Winning Campus Infrastructure**
- **Low Cost of Studying and Living**

YOUR TRU DEVELOPMENT

TRU International students reported higher development and growth in critical and abstract thinking and prospects for future education than other International students across Canada.

- **Career**
- **Communication Skills**
- **Critical & Abstract Thinking**
- **Esthetic & Spiritual Development**
- **Public Speaking**
- **Self-Awareness & Responsibility**
- **Prospects for Future Education**

(Average of TRU International student respondents (in the above development areas) was significantly higher ($p<0.05$) than International Students from other Canadian institutions. Institutional Planning and Analysis. Jan 2015. Engagement & Retention of International students – what we learned in 2014).

HOW TO APPLY

1 Choose your Program and Start Date

Programs are found on page 16 - 17
Check admission requirements and make your program choice clearly.

Last date to apply

Semester	Deadline
Winter (January)	Oct 15
Summer (May)	Feb 15
Fall (September)	May 31

Need help?

Live chat with our International Student Advisors at **mytruworld.ca** or send us an email at **welcome@tru.ca**

2 Apply

Submit your application online at:
yourpath.tru.ca

or apply by Email :
iapply@tru.ca (undergraduate studies)
gradadmissions@tru.ca (graduate and post graduate studies)

or apply by mail:
International Admissions
Thompson Rivers University
900 McGill Road
Kamloops, BC Canada V2C 0C8
Tel: +1.250.828.5252
Fax: +1.250.371.5513

Transcripts and Documents

- **Submit all required supporting documents including proof of language proficiencies.**
- **Current high school students, submit final grade 11 and interim grade 12 transcripts.**
- **Transcripts from all previous post-secondary institutions (if applicable).**
- **Originals of Transcripts must be provided prior to arrival to TRU, otherwise you will not be allowed to register for courses at TRU.**

Application Fee

A non-refundable application fee of CDN$100 must accompany your application.

3 Next Steps

Processing: Undergraduate applications will be processed within five working days.

Pre-Acceptance: TRU will send a pre-acceptance letter indicating (a) the program to which you have been accepted and (b) any conditions of your acceptance

Submit: You should submit the required fees for your first semester of study (as outlined in your pre-acceptance letter).

Final Acceptance: Upon receiving payment of tuition and general fees, TRU will send an official letter of acceptance

Housing: Either make arrangements with the accommodation directly or used the TRU World service to secure your room. Students must pay a C$150 accommodation application fee when using the service with TRU World.

Student VISA: Use your official TRU letter of acceptance to apply to the nearest Canadian Embassy or Consulate for a student visa.

Airport Pickup: Airport pick up only available at the Kamloops airport. Additional charges may apply.

4 Payment

Fees may be paid by credit card (Visa,Mastercard, American Express), bank draft,or bank transfer. Online application fees can by paid by credit card (Visa, MC, American Express) or by bank/ wire transfer. Paper application fees can only be paid by bank/wire transfer, or certified cheque/money order.

- **Send a copy of your financial document receipt if you are paying by bank/ wire transfer, or money order to iapply@tru.ca**
- **Include full name and student ID with payment details.**

TRU Refund Policy

International students who: (a) Withdraw prior to the start of instruction will receive a 50% refund of tuition and general fees invoiced, the balance of the tuition and general fees will be forfeited. (b) Withdraw in the first or second week of instruction will receive a 25% refund of tuition and general fees invoiced. The balance of the tuition and general fees will be forfeited. (c) Withdraw after the second week of instruction will receive no refund of tuition. A forfeit of the semester tuition and general fees will be implemented if we are not advised of a request for refund or deferral. (d) Withdraw due to a failure to obtain a student permit prior to arrival at TRU will be entitled to a full refund of tuition and general fees invoiced less a CDN$200 administration fee. Students must notify TRU in writing and provide documentation prior to the start of the semester (the original letter from the Canadian Embassy stating the reasons the visa was denied is required. Total non refundable including application fee of CDN$100 is CDN$300.

(e) New students who wish to defer the start of their first semester of study to a future semester may do so only twice and up to a maximum of one calendar year (i.e. a student accepted to the fall semester may defer until the next fall semester but not beyond). Continuing students who wish to defer their admission must do so before the beginning of the semester. Once the deferral has expired. students will need to reapply if they wish to recommence studies at a later date. Deferral must be requested in writing and sent to iapply@tru.ca prior to the start of the semester. Once instruction begins policies (b) and (c) above apply. (f) Withdrawal for Medical Reasons —Apart from the policy outlined for international students, there is no provision for a medical refund outside this policy. For continuing students who are required to withdraw for medical reasons, we encourage the student to visit their Academic Advisor and fill in a “Complete Program Withdraw Form”. This allows the student to withdraw from a course or program without obtaining a “DNC (Did Not Complete)” on their academic record.
