Applicants **MUST** complete **all** sections on pages 1 to 2.

Section 4 - English Proficiency

You must have the appropriate English language proficiency level before you are admitted into QUT. QUT accepts two formal tests of English proficiency: IELTS and TOEFL.

The standard for English proficiency is:

- IELTS (academic) - minimum overall band score of 6.5 with no sub-band below 6.0; or
- TOEFL - minimum of 90 (iBT-Internet-based) or better with at least 20 in all bands.

IELTS and TOEFL tests must be undertaken no more than two years before your course commencement at QUT. You may be exempt from taking a formal test if your secondary or post-secondary studies were conducted entirely in English and you have passed an English language subject or one or more Communication subjects. Some applicants may be able to demonstrate English language competency and secure unconditional entry on the basis of other criteria. Please contact the QUT Study Abroad and Exchange Office for more information.

Section 6 - Proposed Enrolment Program

Select your unit preferences. Please refer to the [list of pre-approved subjects](#). Further information on units that have prerequisite requirements is available on the [QUT courses website](#). Ensure that your academic adviser at your home institution approves your proposed Study Abroad Program for smooth credit transfer. To ensure you meet immigration regulations for international student enrolment and workload (minimum 36 credit points) we strongly recommend that you nominate at least eight units in case some of these are not approved for study. You can change units up until the end of the second week of the semester.

Unit Code: Use six character codes, three alpha followed by three numeric, for example BSB110. Note that undergraduate unit codes usually end in a B (eg AMB210) and postgraduate unit codes generally end in an N or P (eg EFN405 or KVP301). GSN units are for MBA students only and most are offered in six weeks teaching period blocks (e.g. 6TP1 etc).

If your academic transcript contains generic subject titles (for example, Business Studies 1) then you would need to supply a detailed subject outline (in English) for these subjects when submitting your application to QUT. Failure to provide this additional information can lead to significant delays for faculty approval of your intended study plan.

Section 8 - Declaration

All applicants must sign the Declaration. Failure to do so will delay the processing of your application.

NOTIFICATION OF APPLICATION OUTCOME

QUT will process your application as soon as it is received. It generally takes up to three weeks to process your application where it is complete and has all certified documents attached. The outcome of your application may be delayed if you do not submit all necessary documentation for assessment. The QUT Study Abroad & Exchange Office will send written notification of your application outcome by email.

Overseas Student Health Cover (OSHC)

The Australian Government requires ALL students coming to Australia on a Student Visa to have [Overseas Student Health Cover \(OSHC\)](#) for the entire duration of their stay in Australia. For the OSHC to be waived, Norwegian students should have documentation proving that they are covered by the Norwegian Insurance Scheme. Swedish students should have proof that they have insurance provided by National Board of Student Aid or by Kammarkollegiet. OSHC is available to Norwegian and Swedish students, if required.
