

Application Form and Fees Schedule 2010

Application for admission as an international student

What you need to know before applying for admission:

- We recommend that you familiarise yourself with the details of the programme you are interested in BEFORE you apply for admission. Check that the programme and the courses offered by the relevant academic department will meet your academic objectives. Please view the relevant department/programme website for further information.
- Many graduate and postgraduate programmes have specific application requirements and/or an additional application process. These programmes include (but are not limited to): Postgraduate Certificate in Antarctic Studies, Graduate Diploma in Business Administration, graduate diplomas in Teaching and Learning, postgraduate diplomas in Business Management, Child and Family Psychology, Clinical Psychology, Health Sciences, Industrial and Organisational Psychology, Social Work, Master of Audiology, Master of Business Administration (MBA), Master of Business Management (MBM), Master of Education, Master of Education in Child and Family Psychology, Master of Education with Certificate in Counselling, Master of Engineering in Management (MEM), Master of Engineering in Fire Engineering, Master of Health Sciences, Master of Social Work (Applied), Master of Science in Applied Psychology and Master of Speech and Language Therapy. Please check the academic department website or enquire through the International Office.

Important notes:

- Please PRINT CLEARLY. To ensure that your application is processed efficiently and to ensure that we can contact you, it is essential that we can accurately interpret the information you supply, particularly your name, email and postal address details. All sections must be completed.
- Incomplete applications cannot be processed. Therefore, please ensure you provide all required documentation. For postgraduate applications this includes all your transcripts and degree certificates for university level study undertaken. Academic documents must be originals or certified true copies. Faxed, scanned or emailed documents will not be accepted as original or certified copies.
- You should apply as early as possible to give yourself maximum preparation time for visa, fee payment, travel and accommodation arrangements.
- It is recommended that undergraduate applications be submitted before 1 November for semester 1 (February) and before 1 May for semester 2 (July). Late applications will be processed, but we cannot guarantee that a decision will be made in time for you to make the necessary arrangements to start your studies here.
- Where possible postgraduate applicants should apply at least 6 months before their intended start date.

College of Education applicants please note:

This form can be used for honours programmes in Teaching and Learning and postgraduate programmes in Educational Studies.

This form is NOT for initial teacher education, Sport Coaching programmes or graduate diplomas in Teaching and Learning. The College of Education Prospectus for International Students including the application form for programme entry to these programmes is available on request or can be downloaded at www.education.canterbury.ac.nz/international

NOTES:

- The fees quoted are for 2010 and are reviewed annually. Students undertaking a programme of more than one year's duration should be aware that fees may increase in subsequent years. The latest information on tuition fees can be found at www.canterbury.ac.nz/intstud/costs/
- All fees are set and invoiced in New Zealand dollars and include NZ Goods and Services Tax (GST). **Please check current exchange rates** for the correct equivalent today in your home currency.
- Fees quoted are for **an average course load**. The actual fee will vary depending upon courses selected. Detailed information on choosing courses and calculating fees is available in the 2010 Enrolment Handbook which will be provided with your pre-enrolment materials.
- The tuition fee must be paid in full before or at enrolment. For payment options please see page 27 of the 2010 International Student Prospectus, or www.canterbury.ac.nz/intstud/costs/payment.shtml
- Some subjects have extra costs associated with them in addition to tuition fees (textbooks, materials, field trips, etc). Thesis publication fees are also additional to the tuition fees quoted. For details of living costs in New Zealand, please see page 27 of the 2010 International Student Prospectus or www.canterbury.ac.nz/intstud/costs/living.shtml

- Provided that they study in New Zealand, international PhD students pay tuition fees at the New Zealand domestic rate for the PhD course only; international fees apply for any other courses. Australian students pay fees at the domestic rate, provided that they study in New Zealand. For domestic fees go to www.canterbury.ac.nz/enrol/costs.shtml
- Please note that an application for admission is not an application for funding. If granted admission, students need to arrange funding to cover tuition fees, living expenses and other costs. An offer of a place is issued for admission purposes and does not imply or guarantee funding for studies. For information about scholarships see page 33 of the 2010 International Student Prospectus or www.canterbury.ac.nz/intstud/scholarships/
- Many **graduate diplomas** attract an undergraduate rather than a postgraduate fee. Please enquire for details.
- Enrolment and Fees Policies and Regulations (including refund policies) are detailed in the University's Calendar. An electronic copy can be found at www.canterbury.ac.nz/acad/calendar/
