

MURDOCH UNIVERSITY DUBAI

COURSE PRE-PLANNING FORM

INFORMATION

To assess your application, please send an official document from your home university with a list of the subjects/courses (units) that you intend to study during your **semester abroad** at [Murdoch University Dubai](https://www.murdoch.edu.au). This usually needs to be discussed and agreed on by your home university, e.g. by an Academic Advisor or University Registrar for example (*Anerkennung*).

Pick and list suitable units that can be transferred back to your home university and **let your home university sign below**. *If you don't need or do not wish to transfer any units back to your home university, please state so on the next page and sign this form yourself.* You may refer to the course structures of Murdoch University study programs or individual units in the Handbook: <https://handbook.murdoch.edu.au>. Attention: the handbook contains units taught in Perth (AUS), Singapore and at the Dubai campus. Only select units taught in Dubai in the trimester that you are studying abroad.

You will take a minimum of 3 or a maximum of 4 units per trimester. Please mention your desired workload. **List additional/alternative courses as well** - that means a **total of 6 to 8 units per trimester**.

Desired workload:

- 3 units (courses)
- 4 units (courses)

Desired trimester(s)

- Trimester 1 (Jan-Apr)
- Trimester 2 (May-Aug)
- Trimester 3 (Sep-Dec)
