## **Section 1: Mandatory Confirmations**

Please check all boxes and sign and date at the bottom of this page.

- I understand that the program dates are August 15, 2018 to December 20, 2018 and I will be present in San Diego during these dates.
- I understand that Semester at SDSU students will use an automated class enrollment system and, if placed on a class waitlist, will not have priority when enrolling in classes.
- I understand that I am required to attend all of my classes for the entire length of each class; therefore, I am not permitted to enroll in any classes that would require me to be in two places at the same time. I agree to enroll in courses that do not overlap in day or time, not even by one minute.
- I understand that enrollment will be restricted in certain departments, such as Nursing, International Business, and Speech Language & Hearing Sciences. If I am enrolled in a course from the automated class enrollment system, I may be dropped from the course by the professor or department if I do not satisfy the requirements of the course.
- I understand that I must bring my transcript (in English) with me and have it readily available for viewing by staff and professors. I must make sure I have satisfied all prerequisites for a course. Professors have the authority to enforce prerequisites and may drop me from any course if I do not have the prerequisites or equivalent preparation for the course.
- I understand that I will not be able to enroll in any classes in the College of Business Administration; these include the departments of: Accounting, Business Administration, Finance, Management, Marketing, or Management/Information Systems.
- I understand that the ALI cannot guarantee enrollment in specific university courses. Semester at SDSU students enroll in courses on a space-available basis after matriculated SDSU students have enrolled.
- I understand that if my inability to enroll in my preferred courses will have a negative effect on my ability to graduate from my home university, then I will need to reconsider attending this program. I may have to enroll in courses that are not my preference if space is not available.
- I must be enrolled as a full-time student to maintain my F-1 visa status. Full-time status is 12 units for undergraduate students and 9 units for graduate students.
- I understand that I can be dismissed at any time during the term if I have an attendance problem, behavior problem, do not work up to the high standards of the ALI, or do not pay tuition and fees.
