Please note the following

- Study Abroad students are limited to 60 RSA credits per semester (the equivalent of a fulltime degree-seeking student's semester),
- 60 RSA credits = 30 ECTS
- You are allowed to list more courses (exceed the credit limit), but you may ultimately only register for courses to the limit of 60 credits or below.
- You will not be allowed to later register for courses that you have not been approved for.
- You will be allowed to choose both IPSU and Mainstream courses.
- Approval for courses at Stellenbosch is done by a very strict process.
- Once SU has received feedback on your course selection, SU will provide you with feedback. If it happens that you have not been approved for a sufficient number of courses, there will be opportunity for you to resubmit courses – details on the process will be provided at that time.
- A help document will assist you in searching for courses at Stellenbosch University. Please download the form from the IEC website ([www.ieconline.de/studieren-im-ausland/universitaeten/bewerbung/suedafrika/stellenbosch-university.html](http://www.ieconline.de/studieren-im-ausland/universitaeten/bewerbung/suedafrika/stellenbosch-university.html)) and fill it in
- Even if you have been approved for the requested mainstream and IPSU courses, final course registration will ultimately be determined by timetable compatibility – final course registration will be completed after your arrival in Stellenbosch and we will assist you with timetable compatibility during the orientation period.

### Mainstream Course(s) (for and with local students)

Although a student may apply for multiple courses with a total amount of credits that exceed the 60 South African credit limit, a student may only register for a total of 60 South African credits. 60 SA credits = 30 ECTS

---

The course name consists of 2 parts – the main area of study as well as the specific module/course name.

The course code consists of 2 parts – the main area of study code (5 digits) as well as the specific module/course code (3 digits).

Example:

*Course name:* Marketing Management: Advertising and Sales Promotion

*Course code:* 23795-244

*Department:* Business Management

#### GEP Course(s) (for and with international students only)

Although a student may apply for multiple courses with a total amount of credits that exceed the 60 South African credit limit, a student may only register for a total of 60 South African credits. 60 SA credits = 30 ECTS

GEP Courses only have a *Course name* and *Course code*.

Total number of credits required as set forth by your home university: \_\_\_\_\_  
(If you are not enrolled at a university, please list your desired number or credits.)

I understand that my application will not be considered unless I have entered my course selection in the Learning Agreement Form.

#### **HEALTH INSURANCE INFORMATION**

---

Proof of South African medical insurance is required

Please note that all students will be required to have South African medical insurance / [medical scheme registered in terms of the Medical Schemes Act, 1998](#) for the purposes of the visa application. Students will only be able to procure this after a letter of

---

admission has been issued. This is a requirement from the South African Department of Home Affairs.

Proof of medical insurance must prove the following:

- That the medical insurance is in the student's name
- Indication of the beginning and end date of coverage
- That the student is medically insured in South Africa / worldwide.

Your study application will be accepted without the proof of medical insurance by date of application but will only be considered wholly complete once the proof of medical insurance is provided as soon as possible after a letter of admission has been issued.

The proof of medical insurance can be submitted directly via email to < studyabroad(at)sun.ac.za > .
