Dear UPS Applicant:

Before we can review your application for admission to the UPS program, you must list **12-15 courses per quarter** that you would be satisfied to take at UC San Diego or UC San Diego Extension. UC San Diego courses are listed under “Schedule of Classes” at <https://act.ucsd.edu/scheduleOfClasses/scheduleOfClassesStudent.htm>. For a list of all of UC San Diego Extension course offerings please see “Areas of Study” at extension.ucsd.edu. Please be sure that you include courses that are typically offered in the quarter that you plan to enroll. For example, if you are applying for Winter 2016 quarter but you do not see Winter 2016 courses posted on Tritonlink yet, then you should look at the courses which were offered in Winter 2015 quarter. The rotation of courses offered each quarter is quite stable across the year from year to year. Course descriptions in the general catalogue are no indication that the course you want will be offered in the quarter that you want to enroll. You can only find that information in the “Schedule of Classes” at the link above.

Reminders:

- UPS students may NOT enroll in graduate-level Business courses at the Rady School of Management.
- In general, Extension Business classes are NOT available to UPS students, but you may be permitted to enroll in just one UCSD Extension Business course per quarter upon department approval.
- For each quarter you are applying, you need to submit this form with your application. Otherwise your application is incomplete.
- Lower-division courses are numbered 1-99. Upper-division courses are numbered 100-199. Graduate courses are numbered 200+.
- **Courses are on a space-available basis and you will enroll into 12 units, which is usually 3 courses. The purpose of identifying 12 possible courses is to ensure a satisfying academic experience at UCSD because all enrollments are on a space-available basis and because students might not be able to enroll into all of their preferred courses.**
