SUBJECT CHOICE

Proposed enrolment at UTS Subject choices

You are required to select at least 18 UTS credit points worth of subjects that you plan to study at UTS and list these in order of preference. However, it is preferable that you list at least 6 subjects per semester but no more than 10 in total as alternative options. Refer to [Study Plans and Subjects](#) to find the [Study Abroad Subject Guides](#). These will assist you in finding suitable subjects. Note that most subjects are worth 6 credit points, however, subjects in the Faculty of Arts and Sciences (excluding the School of Education) are usually worth 8 credit points.

In addition you should refer to Use the [Step-by-Step Guide to Finding Subjects as a Study Abroad and Exchange Student](#) under [Tips for Selecting Subjects](#) to make sure you are choosing appropriate subjects and ones likely to be offered in the correct session. This Step-by-Step Guide will help you identify the following:

1. How to list your preferred subjects by subject code number and subject name as indicated in the UTS handbook www-handbook-UtS-edu.au e.g. 54000 Citizenship and Communication.
2. How to use the UTS Timetable Planner to check that each subject you have selected is offered during your chosen semester. <https://timetable.uts.edu.au>

Please Note:

- Enrolment in your chosen subject(s) is not guaranteed.
- Enrolment is dependent on the student meeting the requirements for the subject, on the subject being available in the chosen semester and successful timetabling of classes.
- The UTS timetable for the full academic year is finalised no earlier than October in the prior year. If you are selecting subjects for the next academic year prior to October (e.g. it is September 2017 and you are applying for Autumn 2018), you must use the current academic year (e.g. 2017) handbook and timetable as a guide. There is no guarantee subjects offered in the current academic year will be offered in the following academic year. All subject approvals will be conditional until the timetable is officially released.

Terms and conditions

Academic Transcripts of Previous Studies

Certified transcripts of previous studies must accompany this application. If the original certified copy is not in English, you must include certified English language translations also. The transcripts must show all subjects taken, grades (including fails) and stages reached or qualifications gained. A collection of examination slips is not an acceptable substitute for an official transcript.

You must provide full details if you have been excluded or are liable for exclusion from any institution. As there is a long delay at some institutions in obtaining official transcripts you should apply for transcripts as soon as possible. Your application will not be processed unless all necessary information has been provided.

English language proficiency

You must provide a recent English language test score or proof of previous study in English. If your test results are below the acceptable standard, you will not be eligible to study at UTS.

Payment of fees for Study Abroad and Research students

The scheduled fee for the first semester's tuition is based on an 18-24 credit point program of study, and is payable upon acceptance of an offer from UTS. Tuition fees for subsequent semesters are due at the start of each semester. Tuition fees are for the current year only and may be subject to annual increase. You will be required to pay the Study Abroad fees applicable to the academic year in which you will be enrolled.

Fee refund for Study Abroad and Research students

Refunds will only be considered under the terms of the current UTS Fees Policy for International Students. If you withdraw after you have accepted the offer of a place you may incur a penalty.
