Code of Practice for the Pastoral Care of International Students

The University of Waikato has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Minister of Education. Copies of the Code are available on request from this institution or from the New Zealand Ministry of Education website at www.minedu.govt.nz/goto/international

Fees and Costs

International students are required to pay a tuition fee for each course they are enrolled in. These fees are listed in the International Prospectus and online at www.waikato.ac.nz/enrol/fees.shtml. In addition, students are required to pay course material charges, Building, Student Services, U Leisure levy and Waikato Student Union fee and other administrative charges. Students are also required to have an additional NZ\$10,000–NZ\$15,000 per year for living expenses for each year of study.

Fees Protection Policy

The University is governed by the Public Finance Act, the Education Act and University Council regulations in regard to student fees. An individual fee account is maintained for each enrolled student. In the event that the University is not able to offer an academic programme for the semester intake indicated on the student's Offer of Place, any funds due to the individual will be refunded.

Refund Policy

Pre-paid tuition fees

International students are required by the New Zealand Immigration Service to pre-pay one year's tuition fees to the University of Waikato in order to be granted a student visa. This policy details the process for refunding these funds if (i) the student travels to New Zealand and does not complete their enrolment, or (ii) completes the first semester of study and does not enrol in the second semester of study and they have a student permit valid for one year. All students must apply in writing for a refund of their pre-paid tuition fees to the Director, Student and Academic Services Division. An administration charge of 10%, including GST, is withheld from the refund of pre-paid tuition fees for students not enrolling at the University of Waikato. Full details of this policy should be read and understood before payment is made. Full details are available online at <http://calendar.waikato.ac.nz/admission/internationalstudents.html>

Refunds after completing enrolment

To receive a refund of tuition fees after students have completed their enrolment, students need to apply to their School of Studies by 5.00pm on the following deadlines. Summer School – the first Friday of the relevant teaching period. Semester A papers – the second Friday of semester A, semester B papers – the second Friday of semester B. Full details of this policy are available online at <http://calendar.waikato.ac.nz/admission/changeofenrolment.html>

Enrolment Regulations

Prior to enrolling at the University of Waikato, all students must have read and understood the enrolment regulations at the University of Waikato. These can be found on the University's website at <http://calendar.waikato.ac.nz/admission/index.html>

Termination of Enrolment

At the time they enrol, students are required to sign a Student Declaration agreeing to abide by the regulations of the University of Waikato as published in the University of Waikato Calendar. The Student Discipline Regulations provide the framework for addressing alleged breaches of University regulations by students and for applying penalties where breaches are substantiated. Full details of these regulations should be read and understood at the time of enrolment. Full details are available online at <http://calendar.waikato.ac.nz/policies/discipline.html>

Student Visas and Permits

All international students must hold a valid student permit for the duration of their studies. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through the New Zealand Immigration Service, and can be viewed on the website at www.immigration.govt.nz

Compulsory Medical and Travel Insurance

All international Students must have appropriate and current Health and Travel Insurance. Your insurance must be continuous for your full period of study in New Zealand. Without appropriate insurance you will not be able to enrol. This is a requirement of the New Zealand Ministry of Education's Code of Practice for the Pastoral Care of International Students (the Code). The Code is very specific about students' requirements for cover while they are in New Zealand and can be viewed on <http://www.minedu.govt.nz/>

How can I get appropriate insurance cover?

1. You can buy insurance through the University. We have arranged an insurance programme (StudentSafe–University) specifically for international students with Marsh Ltd, one of the world's largest insurance broking companies, OR
2. You may opt to purchase one of the alternative approved policies. You can view these alternative approved policies on <http://www.waikato.ac.nz/international/policies/insurance.shtml> If you purchase one of these, you must supply the University with a Certificate of Insurance at least 4 weeks prior to your enrolment.

Buying insurance through the University

No application form is required for cover under the StudentSafe –University Insurance Programme. The premium will be charged with your tuition fees which you will pay when you enrol; in 2009 it is \$495 for 12 months cover. If you travel to New Zealand within 31 days of your course start date, StudentSafe–University insurance begins automatically as soon as you leave home (subject to pre-existing conditions of health and general exclusions as detailed on the Master Policy Wording – see below webpage for details). It is therefore not necessary to buy insurance before coming to New Zealand. StudentSafe–University insures you during your course, provides 31 days cover at the end of the course if returning to your home country permanently, or 90 days cover until you re-enrol if you are just returning home for the holidays. Further information on the StudentSafe–University insurance programme is available at <http://www.waikato.ac.nz/international/policies/insurance.shtml>
Please note: Your insurance will cover you for minor unforeseen events which occur on your way to New Zealand, e.g. lost baggage or flight delays. Please keep your receipts and any necessary information if this happens – you can see a Student Advisor at the International Centre on your arrival at the University who can assist you with a claim. For those choosing StudentSafe–University, to be eligible for this special travel cover you must travel to New Zealand within 31 days of your course start date.

Accident Insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Orientation

A compulsory orientation programme will take place during the week prior to classes starting. The programme is designed to give you practical information on studying at the University of Waikato and living in New Zealand. It will also give you the opportunity to meet with other students and staff of the university. Details will be given to you on arrival in New Zealand, can be collected from the International Centre, or viewed on <http://www.waikato.ac.nz/international/students/prospective/orientation.shtml>
